Re: *United States v. Taylor,*  
11 Cr. 310 (PGG)

Dear Judge Gardephe:

This letter is in regard to the above-entitled case, in which I represent Javel Taylor by CJA appointment, and requests, for the reasons set forth below, a one week extension of time – until August 26, 2011 – for both Mr. Taylor's and the government's simultaneous filing of post-hearing briefs with respect to Mr. Taylor's motion to suppress. This is the first request for an extension of time with respect to such briefing. I have spoken with Assistant United States Attorney Amy R. Lester, who has informed me that the government consents to this request.

Due to business travel that lasted from early last week through the beginning of this week, I did not receive or have an opportunity to review the hearing transcript until Wednesday, August 10, 2011. In addition, from next Monday, August 15, 2011, through Wednesday, August 17, 2011, I will be traveling to Colorado to visit a client confined at the ADX (administrative maximum) facility. Such visits are arranged specially and in advance, and the travel is pursuant to CJA funding (because it is an assigned case).

As a result, it is respectfully requested that the current August 19, 2011, date for simultaneous post-hearing briefing be adjourned one week until August 26, 2011. As noted above, the government consents to this request.

Respectfully submitted,
